

# The 4th Mt. Fuji Network Forum

**Pulmonary Circulation in Congenital Heart Disease;**  
Do we really understand what pulmonary circulation heart disease is?

**Date** February 22(Fri) - 23(Sat), 2019 **Venue** Nippondaira Hotel (1500-2 Mabase, Shimizu Ward, Shizuoka City, Shizuoka, Japan)

December 10<sup>th</sup>, 2018

Dear Colleagues and Friends,

## About the meeting for establishing Asian Association for Cardiovascular Surgery in pediatric and congenital field

It is our privilege to invite you to the meeting for establishing Asian Association for Cardiovascular Surgery in pediatric and congenital field on February 21<sup>st</sup>, 2019 at Nippondaira Hotel, Shizuoka, Japan. We are convinced that this association will be an essential academic society for the future development of pediatric cardiovascular and thoracic surgery in Asia. The meeting is planned to start at 15:00 on February 21<sup>st</sup>. We urge you to attend this important meeting by all means. We believe your support and contribution to the meeting would be essential for the start of the association.

We look forward to hearing from you soon.

Sincerely yours,

Proposer

Dear Colleagues and Friends,

It is our great pleasure to announce that the 4th Mt. Fuji Network Forum to be held from 22<sup>nd</sup> to 23<sup>rd</sup> February 2019 at Nippondaira Hotel, Shizuoka, Japan. I urge you to participate in and create the time of fun and beneficial discussions for yourself as well as for everyone else, together with me at the upcoming forum.

This forum has been focusing on the topics related to the management of congenital heart diseases from many aspects. The theme of the 4<sup>th</sup>. forum will be the following: "Pulmonary Circulation in Congenital Heart Diseases". This multi-disciplinary meeting including cardiologists, neonatologists, cardiovascular surgeons, cardiac intensivists, obstetricians, pediatric surgeons, physical therapists and nurses offers a great opportunity to communicate with other physicians or surgeons with similar interests from all around the world. The all participants will obtain the latest and comprehensive knowledge of multidisciplinary approach efficiently.

This forum will also offer oral and poster presentation sessions. The Major purpose of this session is to encourage young doctors and other physicians to present at international forums. For details, please check and register from the following website. For registration for participation, the registration period from the website is from 20th November to 20th December, 2018. <http://square.umin.ac.jp/MtFujiNetwork/>

Also, on the evening of February 22, we are planning a new special event; "**IYH!!**(Introduce Your Hospital!!) " (by nurses?, doctors?, other persons? or all attendants together?). If you would like to introduce your hospital, please contact following e-mail address of the secretariat: [mtfujinetwork@gmail.com](mailto:mtfujinetwork@gmail.com). If you have any questions, please contact following e-mail address of the secretariat.

Again, all participants including invited speakers and chairs must register for participation from the website. For registration for participation, please check this following website and register from 20th November to 20th December, 2018; <http://square.umin.ac.jp/MtFujiNetwork/>

I am looking forward to seeing you at Shizuoka, Japan in February 2019.

Sincerely yours,

Kisaburo Sakamoto M.D.
